A YEAR IN THE LIFE OF
EDITH ROGERS SCHOOL
FROM Z TO A

PRINCIPAL'S MESSAGE

It has often been cited that the ultimate aim of education is to develop the abilities of individuals in order that they might fulfill their personal aspirations while making a positive contribution to society.

Regarding the maximization of individual abilities, it is possible to think of this development in terms of three major components. First, and foremost is the importance of intellectual ability. Here, one often refers to the acquisition of basic knowledge. And why is this knowledge necessary? We believe this knowledge is important in that it helps us to analyze, organize and evaluate life related experiences. Secondly, with regards to health and fitness, does one need reminders that intellectual development holds little value if encumbered by illness and immobility? Beyond these components looms yet another individual and cooperative challenge dealing with one's contributions towards society through the world of work and positive active citizenship. Have you, as a student at Edith Rogers Junior High demonstrated some growth in any or all of these three areas? Though the extent of growth may vary, what is important is that each of you will have tried your very best. I would like to thank all of you for trying and I congratulate you for your accomplishments. May this success continue in your futures. And to insure that we have a better future, may we ask that each of you extend a helping hand to one other person so that our successes will be exponentially compounded.

In closing I would like to extend congratulations to Mr. Bishop and the year book staff for compiling such a fine memorabilia. Congratulations also to the graduating class of grade nine's as they cross one mile-stone and challenge another. May you enjoy the summer holidays and we wish you the best in your future.

DRAMA

45 LUCKY DRAMA AND MUSIC STUDENTS VISITED CALGARY WHERE THEY ENJOYED THE THEATRICAL EXPERIENCE OF A LIFETIME. THE PHANTOM OF THE OPERA WAS AN UNFORGETTABLE PRODUCTION, BRILLIANT AND POWERFUL IN EVERY DETAIL.

THE PHANTOM THEME CONTINUED IN THE CHRISTMAS LIT. WHERE THE "PHANTOM" OF THE LIT TOOK OVER THE PROGRAM IN HOPES OF ADDING A LITTLE "REFINEMENT" AND "DISCIPLINE". HE HAD HIS WORK CUT OUT FOR HIM THOUGH AS THE SHOW WAS AS RIBALD AND HILARIOUS AS USUAL.

WE ENDED A VERY SUCCESSFUL YEAR WITH A SERIOUS SOCIAL DRAMA ENTITLED "A BALANCING ACT". ON MAY 28 AND 29, GRADE 8 & 9 STUDENTS WERE ABLE TO WITNESS THE RAVAGES OF CHEMICAL DEPENDENCY OF THE VICTIMS, THEIR FAMILIES AND FRIENDS. FOLLOWING THE ONE EVENING PERFORMANCE ON THE 28TH. MANY PARENTS EXPRESSED AMAZEMENT AT THE SENSITIVE AND THOROUGH TREATMENT OF THE SUBJECT OF ADDICTION IN GALBRAITH'S SCRIPT; AND ALL WERE ASTONISHED AT THE MATURITY AND PROFESSIONALISM OF THE ACTORS.

Mr. Oishi and Mr. Cronk once again organized and ran the school's annual basketball shooting competition. For two weeks there was a lot of action in the gymnasium with a fine display of basketball shooting. Thankyou to all who took part and "well done" to this year's champions.
